

What the Bleep are You Drinking ???

...plastic bottled water ? tap water? dead water ? acidic water ?

Did you know that our human body is **70%** water and that this 'inner sea' must be pH balanced in order to be healthy ? Our toxic environment, acidic foods and stress create highly **ACIDIC** inner environments when we need to be **ALKALINE !**

The **FASTEST** way to balance your pH is :

DRINK ALKALINE WATER

(it would take 1 to 2 years to shift your pH by eating Alkaline foodsand only a few weeks if you drink this restructured Ionized Alkaline water from IonWays)

FREE RADICAL DAMAGE

Free radicals damage healthy cells causing oxidation which plays a major role in Heart disease, premature aging, Cancer, Alzheimers, rheumatoid arthritis and other diseases.

Anti-oxidants stop oxidation and counter-act the onset of

DE-HYDRATION

Dehydration can cause: low energy, migraines, backpain, Type II Diabetes, weight gain and poor digestion.

Proper hydration is critical to good health and vitality.

An IonWays Ionizer filters then ionizes the water, reducing the

ACIDIC DEGENERATION

Excess acidity in our bodies from pollutants, acidic foods and stress, causes disease and weakens all body systems. This forces the body to rob minerals - calcium and magnesium - from vital organs and bones. Reserves are depleted leading to bone density loss, heartburn, indigestion, blood sugar issues, weight gain, diseases and pain.
